Reference materials:

- Seafarers Training Certification and Watchkeeping Code (STCW) 2010
- International Ship and Port Facility Security (ISPS) Code
- Carnival UK Vessel Ship Security Plan
- Corporate Global HESS Policy and Procedures
- GLADIS Training
- CASRA X-Ray Training
- Security Patrol/Security Supervisor Job Description and CUK Culture Essentials

Competency Passport Guidance Notes:

This Passport is an official company document. You will use it to record all your completed competencies as you work towards compliance and development in the role of Security Patrol.

The Passport is designed to ensure that you complete a variety of training and developmental sessions which aim to broaden your maritime and security knowledge. The development of these competencies aims to ensure you have the necessary skills to operate effectively as a member of the security team onboard a Carnival UK vessel.

Passport Process:

Once each competency has been successfully completed it is the responsibility of the named Security Patrol team member to obtain the required assessments, competency review and signatures from the Security Supervisor and Security Officer.

On completion, please send to the Security Officer for approval and sign off.

Carnival UK – Security Competency Passport – Progress Chart
