

GHESS: SUGGESTIONS

- ❖ Navigate to main host page for document that you wish to create a suggestion for.
- ❖ For steps 00 – 12 – this will be the following:

The screenshot displays the GHESS (Global HESS) interface. At the top, a blue header bar contains the text 'GLOBAL HESS'. On the right side of this bar, there are four buttons: 'Create Procedure Suggestion' (highlighted with a red box), 'Print', 'Forward Document', and 'Exit'. Below the header, the main content area is titled 'HESS PROCEDURES'. It includes a breadcrumb trail: '» CCS » CCS1003 - CORPORATE SHIPBUILDING STEPS AND TASKS (DATE: 06 DEC 2023)'. A 'New Document' link is visible below the breadcrumb. The Carnival Corporation & PLC logo is positioned on the right. A navigation menu below the breadcrumb includes 'BODY', 'MANUAL INFORMATION', 'LINKS IN THIS DOCUMENT', 'ITEMS REFERENCING THIS DOCUMENT', 'VERSION HISTORY', and 'DOCUMENT HISTORY'. The main content area is titled 'Content' and features a 'Table of Contents' section with a link to 'Corporate Shipbuilding Steps and Tasks'. This link leads to a detailed table of contents for 'Corporate Shipbuilding Steps and Tasks', listing steps from Step 00 to Step 06. A 'SHOW TIER III' link is located in the top right corner of the content area.

- Comments:**
 - Slide 1 - Escalations is spelt incorrectly, needs an extra 'a'
 - Slide 1 - can we change the Risks and Issues owner from 'Project manager' to be a fictitious name as I also see 'project manager' on the live reports which makes me think it's not being updated
 - Slide 4 - Can we remove 'Arvia' from risk 717-045 action, to anonymise the risk in the template
 - Slide 4 - can we remove '717' from the risks, to anonymise the risks in the template
 - Slide 21 - can we remove 'S717' from the comments, to anonymise the content
 - Slide 26 - please remove red wording across the RAGs saying 'RAG Definitions to be approved'
