

Zenith 2025 Easter Weekend Rental Information

Hello,

Just a reminder that many rental branches will have reduced hours and additional restrictions over the 2025 Easter bank holiday weekend.

- Vehicles that are to be off hired for the long Easter weekend and need collecting must be off hired by 10am on Thursday 17 April and must be available for collection on Thursday & Friday.
- If your business closes before 6pm on Friday 18 April, you must return the vehicle to your local branch or off-hire the vehicle 24-hours before your business closes. Make sure to let our Reservations team know too, so that they can arrange for the vehicle to be collected.
- If your off-hire is made after noon on Thursday 17 and you need the vehicle to be collected, you will be charged up until 10am on Tuesday 22 April.
- Drivers who want to return their vehicle directly to the branch have until 5pm on Friday 18 April (the rental will be closed at the time of vehicle return).
- Following the bank holiday weekend, deliveries are available from noon on Tuesday 22 April and walk-ins are available from 9am. If you need a vehicle earlier than this, you will be charged from 5pm on Friday 18 April.
