

Employee Discounted Travel and Late Availability Rates

Exclusive Employee Rates

The rates below apply to cruises/holidays booked via the Employee Discounted Travel Policy and the Late Availability Scheme. Please refer to the Employee Discounted Travel policy for the cabins that these rates apply to. Please note that these discounts are not available for maiden cruises.

*Due to tax laws, we charge a minimum rate per person (excluding infants) per night for all Guests travelling on any employee discounted cruise. The current minimum is £15 per Guest per night. Once the exclusive employee discounted rate is applied to some of our cruises, the total fare for your booking may drop below the average cost of £15 per person per night. When this happens, the fare will be manually adjusted to ensure the total cost of your booking is no less than the average cost of £15 per person, per night (excluding infants).

Special Fare Quotes

If you are eligible to book a cruise via the Employee Discounted Travel policy, we also invite you, or your friends and family, to make a booking using the special fare code listed on the Employee Discount page on The Insider. The code will provide a 7.5% off the booking if: -

- You wish to book on a maiden cruise; or
- You wish to book a suite excluded from the Employee Discounted Travel Policy, including Cunard Queens Grills or P&O Suites; or
- You wish for additional family or friends to join you on an Employee Discounted Travel or Late Availability Cruise, and they do not meet the eligibility criteria set within the policy; or
- You are employed by a third party working with P&O Cruises/Cunard.

Friends and Family

Ad-hoc discounts are regularly provided by P&O Cruises and Cunard which you can share with your friends and family. These are issued by e-mail to Shoreside employees, Fleet annualised contract employees who reside in the UK and Fleet Fixed Term Contractors who reside in the UK and are on a P&O Cruises or Cunard ship at the time of issue. The e-mail will detail prices for eligible cabins on eligible cruises and will quote the code to use.

Friends and Family discounts are also occasionally provided by our sister brands. Please refer to the e-mail that is issued for the terms, conditions and code to use.
